Parish Family Offering.

The new box sets of the weekly envelopes for 2024 are available at the back of the church.

If you have never had a set of envelopes and would like to contribute weekly please contact Marie in the parish office and she will organise a box for you.

Thank you to all those who contribute to the family offering every year.

Advent Reflection.

The Christmas story is very simple: it tells of the birth of a child to poor parents with an uncertain future. So what is it about the story that holds such appeal, that has allowed so many other stories and traditions to grow up around it?

Why does it have such a place in our hearts? Perhaps it has to do with the way it taps into our desire that can help us cope with just about anything: love and trust, that we all have a value and a unique dignity that lifts us up and empowers us to move beyond ourselves and to take the risk of reaching out to others, always trusting that God is present in the simple stuff.
